

Help us Fund A Parkinson's Park Bench at McKinley Park

An opportunity to support the Parkinson Association of Northern California. Our mission: to help people and families who are affected by Parkinson's disease and related conditions. A wonderful park bench will be installed at McKinley Park in Sacramento in honor of Parkinson's patients, those that have come before us, those that are with us now, and those that will come after us. Donations in any amount will be accepted.

Everyone who donates to the PANC Park Bench Project by December 31, 2009 will be:

- Invited to help write the inscription for the plaque
- Invited to the installation press conference
- Part of a beacon for Parkinson's patients, caregivers, and families

The Parkinson Association of Northern California funds:

- Research to find a cure
- PD educational programs
- Support groups
- The Park Bench newsletter
- Community outreach
- Caregiver respite care
- Home safety improvements
- much more...

Until there's a cure...hope and healing everyday. Help Parkinson's patients and caregivers sustain their hope, and send your donation today!
